FEEDBACK AND SUGGESTIONS

Feedback-

The college is situated in heart of budapest which have a excellent infrastructure and illuminating the future of all women's which are engaged with the college. College provides an excellent guidance in education, curricular activities and co- curricular activities. The faculty members of this unit have a in-depth knowledge, provide effortless teaching for success of their students, so they are highly succeed in their personal as well as in professional life. College regularly motivated the poor girls as well as rural girls, by providing library facility, Remedial classes, online as well as offline classes, poor fund, scholarship by Governmental organization by college and management committee to develop their career.

College regularly organized some specific programmers for women empowerment. Some additional Program for women protection-self defense acts and laws for the women safety are introduced by some guest lecturer as well as by different NGOS (Non Government Organization) to know their strong safety views.

A number of committee are regularly re-establish to maintaining the discipline, ragging free campus and some other committee like games, library, NSS, Rangers, cultural activity, sexual harassment committee etc. providing facilities to all girls for motivation and smoothly working staff members of college.
