

Mahatma Gandhi Balika Vidyalaya (PG) College, Firozabad

Institutional Distinctiveness

2017-2018

The vision of the college includes to provide a bag of knowledge of the highest standard and excellence among the various department of our college to their students. Various departments yearly encourage a large no of rural students to take admission in various departments. College also helps the students for the scholarship programme organized by government of India as well as organized by college. Thus we can say the college provides quality education and opportunities for intellectual and emotional growth through rural and educationally backward society of the region. Students participate with full enthusiasm in curricular as well as co-curricular activities. College gives priority to promote education to poor girls students of the rural area. Our college provides academic as well as to encourage them to participate in extracurricular activities.

It is fortunate the college has well qualified faculty members in different department. Students from rural background are very much benefitted from our faculty members. The college have various committee which look after the welfare of the students. This is our thrust area which makes us distinctive in performance of the institution.
